Project Modernly Designed
Located in main

BAHRIA

BUSINESS DISTRICT

with direct access to main road

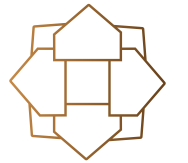

While various mega projects are coming up in this Bahria Town's new skyline, the 616 is placed right the entrance of the business district from Bahria Express Way making it the very first business hub of this commercial area.

No doubt Business District will be the future Blue Area of the Twin cities and 616 will lead this new world owing to its primary location.

SHOP ◻ WORK ◻ LIVE ◻ ENTERTAIN

Based on the unique concept of Shop-Work-Live-Entertain, 616 South is incorporates Green footprints with sustainable designs improving energy and water efficiency, using eco-friendly construction material and creating healthier indoor space along with superior air quality, abundant natural light, access to views and noise control which benefits building occupants, making our buildings better places to work or live."

PROJECT HALLMARKS

- Strategically located at business district
- Spectacular 10 storied landmark
- Futuristic office spaces of various sizes
- Limited edition retail spaces with road frontage
- Well decorated lift lobby
- 2 high-speed elevators

Not all buildings in the area are to offer what 616 has built in its design to maximize its member's value for money. We offer state of the art, spacious, high-quality lifts in the building no matter the additional costs. 616 also takes pride in offering complete air conditioning fitting along with AC Split units so that our customer can turnkey and settle down without having to worry about anything. The building will have fully fitted modern luxury bathrooms pre-installed within the price along with 24/7 maintenance staff which shall be housed in the building to offer urgent plumbing, electrical and civil works support for our members
